Domaine Misincu is opening in Corsica's wild Cap Corse

Eco-chic hotel opens in Corsica

Domaine Misincu, a 29-room hotel that opens next month on Cap Corse, the wild tip of Corsica, will make a perfect place to get away from it all. There's a garden spa with outdoor therapies, yoga and Pilates on the riverbanks, hiking paths and a quiet beach. Rooms are in soothing neutral tones, with wooden floors and basket lamps, and cost from £195 a night with Small Luxury Hotels of the World (slh.com).
